Mankato

Wednesday, February 21
4:00 – 6:00 p.m.

MnDOT District 7
Headquarters
2151 Bassett Drive, Mankato

MnDOT is ready for summer! But are you?

Commuters, plan ahead for your summer travel, and businesses, plan ahead for your customer access.

In summer 2018, MnDOT will be improving sections of Hwy 14, Hwy 169, and Hwy 22 around the Mankato area, and partnering with the cities of Mankato and North Mankato to upgrade the levee just north of the Hwy 14 and Hwy 169 junction.

The public is invited to attend Mankato's first multiagency construction open house to:

- Learn about highway construction schedules and traffic impacts
- View maps of the highway corridors to visualize construction impacts and improvements
- Ask questions and talk with project staff about construction plans and/or traffic control plans

No formal presentation is planned. Attendees are welcome to stop by anytime.
