

# Nicollet County Comprehensive Plan Update

Nicollet County is updating its Comprehensive Plan to guide the county toward its vision for the future. The plan will identify goals and policies that will be used to guide future actions and decision making on land use, transportation, natural resources, and parks.

Residents are invited to learn about the plan and provide input at three public meetings. Attendees at all three meetings will be introduced to the comprehensive plan process and provide input that will be used to develop a plan for the next 20 years. A presentation will be given at 6:00 pm.
