

Instructions for printing out parcel maps

Navigate to the property you would like to view.

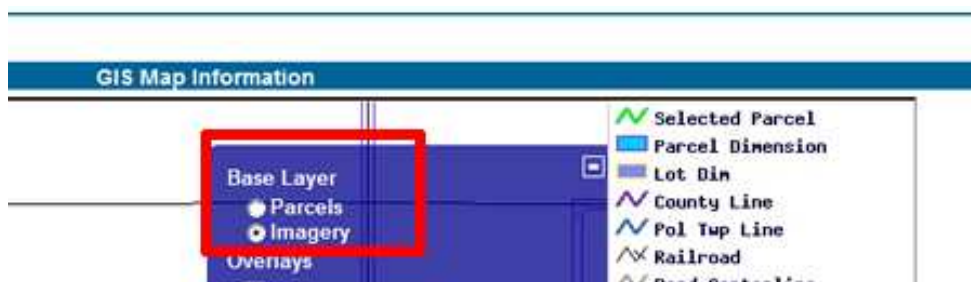

Scroll down to the 'GIS Map Information' section.

If you would like to view the imagery layer:

Click on the blue tab with a plus (+) sign. (See Image)

Find 'Imagery' under the Base Layer and click on it. Once the imagery view comes up, click on the minus (-) symbol to close the blue box.

To print parcel map if you are using the Microsoft Internet Explorer browser:

Go to: Menu, choose File, then Print, choose your printer and choose ok. The entire information of the parcel will print (usually 2 pages)
