

Employee Illness Log

**** Employees with vomiting or diarrhea MUST BE EXCLUDED from work for at LEAST 24 HOURS after symptoms are gone. Infected foodworkers present a severe food safety risk. The PERSON IN CHARGE must notify Brown-Nicollet Environmental Health if any food employees report symptoms of vomiting or diarrhea, sore throat with fever, or they are known to be infected with Hepatitis A, Norovirus, Salmonella, Shigella, Shiga toxin-producing E Coli, or other enteric bacterial, viral or parasitic pathogens.**
