Food Manager Certification Courses

If your faith-based or community organization maintains a kitchen where meals are served, it is a good idea to have one or more kitchen volunteers attend a food manager course. Courses are available from some community and technical colleges, the University of Minnesota Extension and private companies. For information on food manager courses, contact:

- http://www.health.state.mn.us/divs/eh/food/fmc_training/index.cfm
- MN Department of Health 651-201-4500
- MN Department of Agriculture 651-201-6027
- University of Minnesota Extension classes
