

Mission

Providing efficient services with innovation and accountability.

Vision

Setting the standard for providing superior and efficient county government services through leadership, accountability and innovation to a growing and diverse society.

Roles and Responsibilities

County Board

- To provide leadership, direction, and long-range planning for the county;
- To determine policy for the county;
- To adopt an annual budget and levy for the county; and,
- To represent the collective best interest of the county and its citizens.

Commissioners

- To represent citizens and be accessible to them;
- To make leadership and policy decisions for the “greater good” of the county;
- To be prepared for and participate in board meetings;
- To act professionally and listen respectfully to the county administrator, staff, and other commissioners; and,
- To serve as liaison with other government entities and partners representing the county.

Core Values

Integrity: *Our decisions and actions display a consistent commitment to moral and ethical values.*

Accountability: *To account for our activities, accept responsibility for them and to disclose the results in a transparent manner.*

Innovation: *Our transformation of an idea into a service that creates value.*

Leadership: *Having a vision, sharing that vision and inspiring others to support our vision while creating their own.*

Efficiency: *Our ability to do things well, successful and without waste.*

Core values are what we stand for as an organization and the qualities our workforce is asked to represent. It's what we believe in.
