

Client's Right to Appeal and Request for a Second Chemical Use Assessment

You have recently made application for a chemical use assessment under Minnesota Rules, part 9530.6615. If you disagree with the results of this assessment and the level of chemical dependency treatment or care proposed by the assessor, you have the right to request a second chemical use assessment. The county is providing you this notice in writing of your right to request a second assessment.

You must make your request for a second chemical use assessment **in writing** to the County chemical health assessor and your written notice must be received by the county within five (5) working days of the completion of the original assessment or before you enter treatment, whichever occurs first.

The county shall provide you with a second chemical use assessment by a different qualified assessor within five (5) working days of the receipt of your request for a reassessment.

If you agree with the second level of care determination, the county shall place you in accordance with Minnesota Rules part 9530.6620 to 9530.6650 and the second assessment.

Any costs charged for a second assessment shall be your financial responsibility.

You have the right to appeal if you have been denied an assessment, denied a second assessment or disagree with the level of treatment or care proposed by the chemical health assessor.

This notice was discussed with me on _____ and I understand my right to appeal and my right to a second assessment.
